ATEX Zone 2 Light Headset Neckband and Helmet

Art.-No.: 70111125

ATEX

Ⓜ II 3G Ex ic IIC T4 Gc -20°C ≤ Ta ≤ +50°C Gc

Technical Data

Key benefits	<ul style="list-style-type: none"> Extremely lightweight (60g) Dust and moist protected (IP54) Supreme comfort for extended wear Flexible noise cancelling microphone suitable for noisy environments Easily adjustable for optimum fit Affordable headset solution
Weight	60 g
Cable length	380mm, extended to 1300mm
Connector	3,5mm Plug with screw
Microphone impedance	Max 2200Ω @ 1kHz
Microphone sensitivity	-46 +/- 2dB
Operating temperature	-20°C to +55°C
Storage temperature	-20°C to +55°C
Speaker impedance	32Ω @ 1kHz (+/- 15%)
Ingress protection	IP54
